Re: Parkinson v. Farina, et al. (07-Civ-5445) (PKC)

Dear Judge Castel:

The parties respectfully request that the date of November 16, 2007, in which the parties are to appear before the Court be adjourned to Friday, December 14, 2007, or such other date as the Court may set.

We are respectfully requesting an additional thirty (30) days in efforts to settle this matter. This request is being made because the exchange of records - particularly records involving an internal investigation at the correctional facility - was time consuming. The defendants recently turned over internal investigative records, which required careful review and a Confidentiality Agreement, due to security and confidentiality concerns. The defendants are currently in the process of obtaining the plaintiff's medical release/authorization. To that end, all parties need additional time to review the documents in order to effectively participate in settlement discussions.

from November 16
to December 14, 2007 at 9:45am
SO ORDERED.
